# FROM COLLEGE ATHLETE TO STAY-AT-HOME MOM

"I didn't get the support I hoped for from my family," says Brisa.

"At Women's Care Center,  
nothing felt like a mistake anymore.

You helped me get through the obstacles and we were engaged a few weeks after our son was born."

Brisa is now married to Elijah, and says, "I am living a completely different life now. I was in nursing school and an athlete, and my identity was really defined by that. Now I'm a stay-at-home mom. I was recently confirmed into the Catholic Church, so that has become a big part of my life. And I go to daily Mass with my son. **I appreciate life so much more now.**

"Everything worked out perfectly...which is something I didn't quite imagine at the start. **There is no question — Women's Care Center changes lives."**

## You Turn Lives Around!

Ariell grew up on the streets. But thanks to you, Ariell found Women's Care Center.

She says, "I was unsure if I wanted to continue my pregnancy. That's when I met my guardian angel.

Ariell's baby Junior

**"I was scared to be a mom, scared to make mistakes, scared that I wouldn't be good enough.**

**"But my counselor held my hand and told me, everything was going to be ok.** And I trusted her. I started to attend parenting classes and found support from the other moms."

*Baby Junior is here today because of you!*

Ariell has since become a certified medical technician and works as a caregiver. She still attends parenting classes at Women's Care Center.

## After a Baby Is Born, You Continue to Help!

"I had a lot of anxiety," says Destinee. "When my counselor brought me a little baggie with a tiny onesie and a little baby hat, I cried.

"In this world, nothing is calm, and then you come here. I have never seen anyone flustered or scrambling here. It was a nice adjustment."

Destinee's counselor helped her make a pregnancy plan to take it one step at a time, enrolling her and her husband in pregnancy, parenting, and life skill classes.

"You still reach out to me, and she is 8 months old and crawling!"

**"You didn't stop once my baby was delivered. You kept caring about me!"**

## You Are a Hero for Babies like Kaylynn!

Yes, you. This mission doesn't exist but for **YOU!**

53% of the women served by Women's Care Center this year in Fargo and Devils Lake came to us thinking about abortion. But thanks to your love and support, **95% chose life!**

On average, it costs \$835 to serve one woman...from cradle to kindergarten.

*And every mom and baby needs a hero like you!*

Please be as generous as you can this year.

You will find no greater impact for your Christmas giving.

## You Put Babies on a Path to Learning!

"My favorite thing about Women's Care Center is the classes. I go to almost every one!" says Elena, a teen mom, who has needed a lot of help.

Because of you, we continue to add new classes, including Nutrition, Positive Parenting, and more. You help educate parents and nurture babies too...*especially in those important first 1,000 days of life!*

"The support I get at the Women's Care Center is unmatched. I love being a mother! My daughter is doing so well and I love her so much!"

We would love to hear from you!

# GENUINELY THANKFUL FOR YOU!

**"I thought of aborting,"** says Lyndsey. But thanks to you, she found Women's Care Center. 

"When I walked through the door, I immediately felt welcomed and understood. Everyone at Women's Care Center was cheering me on.

**"The most valuable thing you offered me was love and understanding.**

**You are like my other family now.**

"I thought once I became a mom, I would have to give up a big part of myself, but it has not been that way."

**TO THE DONORS,** Lyndsey says,

**"Please continue to help.**

There are a lot of women who need support. Women's Care Center is what they're looking for."

*Thank You*
