MEKI WANTS TO THANK YOU!

In her own words, *thank you!*

"You helped me gain confidence to be a good mother. **Women's Care Center is the reason my baby is here. He is here because of you.**

"When my mom found out I was pregnant, she said if I didn't get an abortion, she'd kick me out of the house. I came here because I knew you would help me. After coming here, I couldn't choose abortion.

"My mom scheduled my appointment at the abortion clinic, but I told her, *'I can't do this. I saw him on the ultrasound screen! I can't go through with it.'*

"It was difficult and the odds were against me, but we got through it...with Women's Care Center.

"I got my own place. I started saving money. I came to every class, saved every coupon, and earned my own crib. I never stopped working and went to school full-time. I graduate college this year!"

THANKS TO PARTNERS LIKE YOU, Karla married Brandon and is starting college. She now says, "Baby Ezekiel is the best thing that's ever happened to us."

"I NEVER BELIEVED IN ABORTION, BUT THEN SUDDENLY IT WAS ME."

Karla wanted to be the first in her family to graduate from college and thought a baby would ruin everything. **THANKS TO YOU,** Karla and her now husband Brandon found loving support at Women's Care Center.

- Karla: "I knew that pregnancy made me a mom, regardless of my decision, but I didn't know if I could give this baby the life he deserved. I thought I wanted an abortion."
- Brandon: "At Women's Care Center, I learned the best thing I could do for my baby is just to give him a chance at life. I knew he needed to have that chance."
- Karla: "When I came in for my ultrasound, I saw the tiniest little thing, like a jelly bean. And I thought, *'I can't do this! I need to keep him! There's literally another person inside me.'*"
- Brandon: "When you see the ultrasound, you see — **that is a person in there.** A living person that we created. And he could be something so great one day."
- Karla: "The best decision I ever made in my life is coming here...to Women's Care Center."

In their own words, *thank you!*

YOU TOUCH HEARTS

“To the donors, I just want to say thank you so much—you gave me a place to come when I felt all alone. This place is my safe haven. I’m so grateful!”

“Sometimes I feel like the poster child for Women’s Care Center, I come so often. I know everybody here. They are all so friendly. Lots of times, I felt like I didn’t have an outlet. Here, I feel comfortable enough to share. I knew they would always lift my spirits. **My favorite part about being a mom is the unconditional love!**”

YOU SAVE BABIES

There is no more life-saving location than “next door” to the abortion clinic. And thanks to you, we are there every day serving women and saving lives.

Sarah came to our center after an abortion consultation at Planned Parenthood. She told our counselor, “There’s no way I can go to school and have this baby.”

But thanks to your support of our mission, Sarah completely changed her mind. **“When I saw the ultrasound, Crib Club, and all the things you do to help people, that really assured me.”**

SARAH CHOSE LIFE...and chose to keep her plans for school as well! In fact, she submitted her application the day she went into labor. Looking at baby Libby, Sarah cannot even think of the decision she almost made without crying. “What I love most is the support I get here. I didn’t really have anyone to talk to about this, and you provided that for me.”

YOU SUPPORT MOMS

“I just moved to Berea two years ago and didn’t know many people. I found out about Women’s Care Center during the Spoon Bread Festival. **You were so welcoming. You made me feel right at home.** I started coming here during my pregnancy and the information I received made me feel so much more comfortable about bringing a baby into this world. I am so lucky to have found you. I appreciate all you have done for me.”

YOU BUILD FAMILIES

Andrea and Victor were new in town when they found out they were pregnant with their first child. Far away from family and friends, Andrea was scared and lonely. **Thanks to your generous support, she found Women’s Care Center where she was wrapped in love.** Here, the couple was able to attend dozens of classes to learn about having a healthy baby and parenting. Through classes, Andrea also met a best friend, someone just like her, who was also expecting her first baby.

Congratulations to Berea sonographer Natalie Land on the birth of her first baby Leland!

YOU CHANGE LIVES

“My name is Morgan and last year my whole life changed.”

“God showed mercy on me and gave me the biggest blessing I could ever receive. Shortly after finding out I was pregnant, my childhood friend told me about Women’s Care Center. **It was a huge blessing.** I honestly had no idea what being pregnant was all about. My daughter Chloe and I are truly blessed to be a part of such a great place. I can’t thank you enough for the help and support.”
