CARELINE

WOMEN'S CARE CENTER • NOVEMBER 2018

32 CENTERS IN 11 STATES | ELKHART COUNTY EDITION

Baby Amely Grace

Baby Amely Grace is the picture of Thanksgiving!

Because of YOU,

1 in 3 babies born in Elkhart County

now start with Women's Care Center.

Brittany's baby Brady

In her own words,
thank you!

BRITTANY WANTS TO THANK YOU!

"My first thought was: there is no other option. I have to abort. I can't have a baby when I can't even provide for myself.

"I called the abortion clinic and made an appointment. Before I went for the abortion, I came to Women's Care Center. My counselor told me I had options. She said, 'We are here to help you in every way, every moment, every step of the process.' *And that meant everything to me... to have someone on my side.*

"When I heard the heartbeat, it scared me in a good way. I realized, 'I have another person to worry about besides myself. I can't live this way anymore. **I have to be better!**' After that ultrasound, I married my husband and turned my life around. I became a different person.

"When I look at my son Brady, I wonder, 'What would I have ever done without him?'"

"IF I DIDN'T HAVE YOU, I DON'T KNOW WHAT WOULD HAVE HAPPENED..."

A year ago, Christina was in her second year of medical school and Charles was just starting his career. Both were from close-knit Christian families. They thought news of her pregnancy would crush their parents. Although it went against their beliefs, Christina scheduled an abortion.

But at Women's Care Center, *thanks to your support*, she decided to reschedule her abortion. She didn't decide against it, just to push it back so that she could take her time to think about it and maybe tell her parents.

At her next visit, Christina heard her baby's heartbeat, and for the first time began to let herself feel cautiously excited. She made a plan to finish medical school on time, attend every parenting class and deliver a healthy baby.

Two months later, Christina walked in for her regular appointment with a huge smile. She and Charles got married. Everyone (parents, grandparents, aunts and uncles) were thrilled. Shortly after that, they welcomed baby Channing into the world. Now, Christina is working through her clinical rotations as a doctor.

Dr. Christina, Charles and baby Channing

BECAUSE OF YOU, Dr. Christina chose life.
She recently stopped by our center in her lab coat and through tears said,
"Some women don't have this. I am forever thankful!"

A Million Thank You's!

1, VISITS

Because of you, this month we topped **1,000,000 visits** to Women's Care Center nationally. **But it always starts with ONE.** **ONE** woman, **ONE** counselor, **ONE** baby and **ONE** partner, *like you*, who makes this important work possible in Elkhart County.

BABY ROSALEE IS ONE!

"I just want to thank the men and women who donate to Women's Care Center, because it is really such a great place. You may not be physically present, but your presence is definitely felt!"

— Rosalee's mom

YOU GAVE THIS BABY A FAMILY

On the day of her baptism, baby AnnaBeth's parents were married!

But not long ago, they were facing an unplanned pregnancy, and it was terrifying. Her mom Kammye says, "Abortion was never something I wanted to do, but I've never been in this situation before."

Looking for a second opinion, she came to Women's Care Center. "Being here was therapeutic and calming." Because of your love and support, Kammye found the confidence to choose life.

And after the birth of her baby, Kammye had an important realization. Seeing her boyfriend Jason interact with AnnaBeth changed everything. "He was such an amazing father; it solidified our relationship." The two got married.

Please remember babies, *like Rosalee*, in your year-end giving. Visit supportwomenscarecenter.org and select Elkhart.

Naomi and baby Adriana

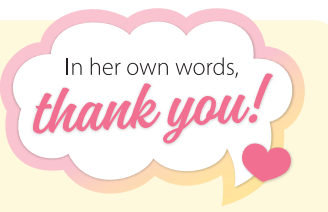

YOU SAVED THIS BABY

"I'm against abortion... but I considered it."

"When I found out I was pregnant, it was such a scary time. I came to Women's Care Center because I was having a meltdown and so scared for the future. I could barely even take care of myself at the time! But I got a lot of fears off my chest that day.

"At the ultrasound, I heard my baby's heartbeat and thought, 'Wow, *this is real. I have a real live person.*' That's when I knew I was going to keep her.

"If I'd never come here, I don't know what would've happened. But I think I would've been so scared that I would've felt pressured to abort. Now I have baby Adriana. The first thing she does when she wakes up is smile!"

YOU GAVE THIS BABY A FUTURE

You may wonder what happens to babies down the road.

In 2013, Jaime and Josh were unmarried, scared and facing an unplanned pregnancy. **Today is a much different story.** The couple are now married and (former baby) Jimi is thriving. They are grateful to you and provided this update.

"We are doing great here. Jimi started school in August. He's attending pre-school and seems to really be enjoying it. Josh has been working a lot. He's started a business with his dad doing home repairs and remodeling, and that's going really well. I'm currently staying home with Jimi, and I really enjoy it. I like to be able to pick him up from school and spend a lot of time with him."

Jimi, now and as a baby

THEN AND NOW

YOU CAN SAVE BABIES FOREVER

You have helped Women's Care Center grow from a tiny, primarily volunteer outreach to an indispensable life-saving resource in Elkhart County. Thanks to partners like you, **every third child in the county now starts with us.** And because of you, abortions have declined 67%.

But what if Women's Care Center wasn't here? What would have happened to Isaac, one of the thousands of babies saved?

There is only one way to ensure this life-saving mission will exist always — from this generation to the next. Please join our legacy endowment campaign with a **legacy or estate gift to help save babies forever.** For more information, please contact Katherine Manion at (574) 993-0004 or email her at manion.katherine@gmail.com.
