Baby Amely Grace is the picture of Thanksgiving!
 Because of YOU, moms like hers have made over
1,000,000 life-saving visits
 to Women's Care Center.

BRITTANY WANTS TO THANK YOU!

"My first thought was: there is no other option.
 I have to abort. I can't have a baby when I can't
 even provide for myself."

"I called the abortion clinic and made an appointment. Before I went for the abortion, I came to Women's Care Center. My counselor told me I had options. She said, 'We are here to help you in every way, every moment, every step of the process.' *And that meant everything to me...to have someone on my side.*

"When I heard the heartbeat, it scared me in a good way. I realized, 'I have another person to worry about besides myself. I can't live this way anymore. **I have to be better!**' After that ultrasound, I married my husband and turned my life around. I became a different person."

"When I look at my son Brady, I wonder, '*What would I have ever done without him?*'"

In her own words,
thank you!

"IF I DIDN'T HAVE YOU, I DON'T KNOW WHAT WOULD HAVE HAPPENED..."

A year ago, Christina was in her second year of medical school and Charles was just starting his career. Both were from close-knit Christian families. They thought news of her pregnancy would crush their parents. Although it went against their beliefs, Christina scheduled an abortion.

But at Women's Care Center, *thanks to your support*, she decided to reschedule her abortion. She didn't decide against it, just to push it back so that she could take her time to think about it and maybe tell her parents.

At her next visit, Christina heard her baby's heartbeat, and for the first time began to let herself feel cautiously excited. She made a plan to finish medical school on time, attend every parenting class and deliver a healthy baby.

Two months later, Christina walked in for her regular appointment with a huge smile. She and Charles got married. Everyone (parents, grandparents, aunts and uncles) were thrilled. Shortly after that, they welcomed baby Channing into the world. Now, Christina is working through her clinical rotations as a doctor.

BECAUSE OF YOU,
Dr. Christina chose life.
 She recently stopped by our center
 in her lab coat and through tears said,
 "Some women
 don't have this. I am
 forever thankful!"

A Million Thank You's!

Because of you, this month we topped **1,000,000 visits** to Women's Care Center. **But it always starts with ONE.** **ONE** woman, **ONE** counselor, **ONE** baby and **ONE** partner, *like you*, who makes this important work possible.

1,000,000 VISITS

"I just want to thank the men and women who donate to Women's Care Center, because it is really such a great place. You may not be physically present, but your presence is definitely felt!"

YOU GAVE THIS BABY A FAMILY

On the day of her baptism, baby AnnaBeth's parents were married!

But not long ago, they were facing an unplanned pregnancy, and it was terrifying. Her mom Kammye says, "Abortion was never something I wanted to do, but I've never been in this situation before."

Looking for a second opinion, she came to Women's Care Center. "Being here was therapeutic and calming." Because of your love and support, Kammye found the confidence to choose life.

And after the birth of her baby, Kammye had an important realization. Seeing her boyfriend Jason interact with AnnaBeth changed everything. "He was such an amazing father; it solidified our relationship." The two got married.

YOU GAVE THIS BABY A FUTURE

You may wonder what happens to babies down the road.

In 2013, Jaime and Josh were unmarried, scared and facing an unplanned pregnancy. **Today is a much different story.** The couple are now married and (former baby) Jimi is thriving. They are grateful to you and provided this update.

"We are doing great here. Jimi started school in August. He's attending pre-school at a local Montessori and seems to really be enjoying it. Josh has been working a lot. He's started a business with his dad doing home repairs and remodeling, and that's going really well. I'm currently staying home with Jimi, and I really enjoy it. I like to be able to pick him up from school and spend a lot of time with him."

Ieshia is a client who lives on the west side of South Bend. She attended all three city council meetings to show her gratitude and support.

THEN AND NOW

LINCOLNWAY UPDATE

There is a new Women's Care Center being built across the street from Whole Woman's Health in South Bend. **Thanks to partners like you, this will be the 22nd time that we have opened a life-saving center near an abortion provider.**

Because of you, we were blessed to acquire the former Cat Nap Inn when the mayor vetoed our rezoning. We are currently finalizing plans for a brand-new center that will be much more efficient and effective in helping women choose life. It will take a bit longer, but will be more life-saving. Please watch our progress when you drive down Lincolnway West in South Bend.
