Meki's baby

In her own words,
thank you!

MEKI WANTS TO THANK YOU!

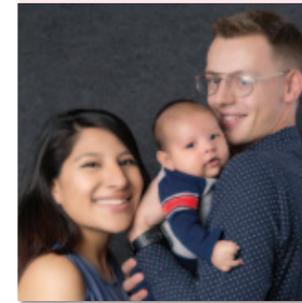

"You helped me gain confidence to be a good mother. **Women's Care Center is the reason my baby is here. He is here because of you.**

When my mom found out I was pregnant, she said if I didn't get an abortion, she'd kick me out of the house. I came here because I knew you would help me. After coming here, I couldn't choose abortion.

My mom scheduled my appointment at the abortion clinic, but I told her, *"I can't do this. I saw him on the ultrasound screen! I can't go through with it."*

It was difficult and the odds were against me, but we got through it...with Women's Care Center."

I got my own place. I started saving money. I came to every class, saved every coupon, and earned my own crib. I never stopped working and went to school full-time. I graduate college this year!"

Karla, Brandon and baby Ezekiel

"I NEVER BELIEVED IN ABORTION, BUT THEN SUDDENLY IT WAS ME."

Karla wanted to be the first in her family to graduate from college and thought a baby would ruin everything. **THANKS TO YOU**, Karla and her now husband Brandon found loving support at Women's Care Center.

- Karla: "I knew that pregnancy made me a mom, regardless of my decision, but I didn't know if I could give this baby the life he deserved. I thought I wanted an abortion."
- Brandon: "At Women's Care Center, I learned the best thing I could do for my baby is just to give him a chance at life. I knew he needed to have that chance."
- Karla: "When I came in for my ultrasound, I saw the tiniest little thing, like a jelly bean. And I thought, *'I can't do this! I need to keep him! There's literally another person inside me.'*"
- Brandon: "When you see the ultrasound, you see — **that is a person in there.** A living person that we created. And he could be something so great one day."
- Karla: "The best decision I ever made in my life is coming here...to Women's Care Center."

THANKS TO PARTNERS LIKE YOU, Karla married Brandon and is starting college. She now says, "Baby Ezekiel is the best thing that's ever happened to us."

In their own words,
thank you!

YOU TOUCH HEARTS

"To the donors, I just want to say thank you so much—you gave me a place to come when I felt all alone. This place is my safe haven. I'm so grateful!"

"Sometimes I feel like the poster child for Women's Care Center, I come so often. I know everybody here. They are all so friendly. Lots of times, I felt like I didn't have an outlet. Here, I feel comfortable enough to share. I knew they would always lift my spirits. **My favorite part about being a mom is the unconditional love!**"

YOU SAVE BABIES

On a chilly November day, Lolbeth entered Hammond's Women's Care Center. She felt unready to have a baby at this time in her life. A wall of obstacles stood between her and a decision for life. Because of you, Lolbeth was supported, and her life was forever changed.

In her own words...

"Your ultrasound machine was the very first time I saw my baby. At that very moment, I knew my baby would be a girl and that her name had to be 'Vida,' which means 'Life.' **It was then that I decided her life was more important than any obstacles I was facing.**"

"I am a true believer that everything happens for a reason. I'm so thankful I came to Women's Care Center. You took away the confusion and cluelessness."

YOU SUPPORT MOMS

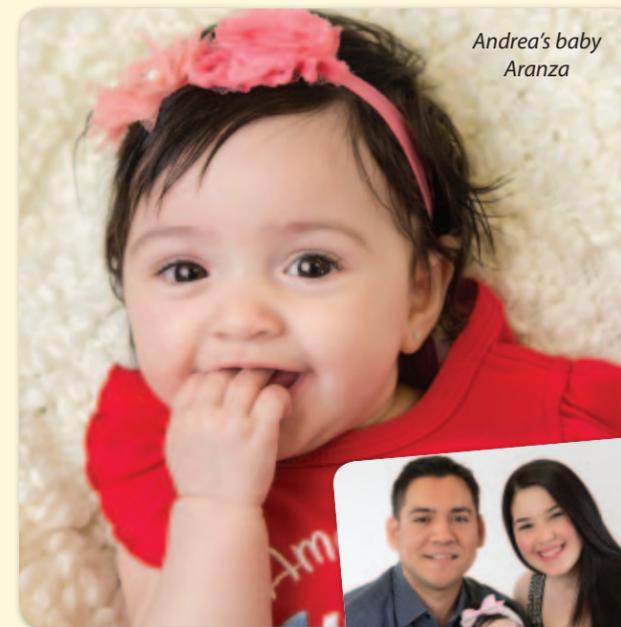

"I have continued to do the right things, and everything just started falling into place for me."

I've been working full-time. I moved into an apartment. I'm feeling better than I have in years. And the love I have for this baby is almost too much to handle. **Thank you so much for keeping in touch with me and being supportive.** You really helped me to believe that I can do this!"

YOU BUILD FAMILIES

Andrea and Victor were new in town when they found out they were pregnant with their first child. Far away from family and friends, Andrea was scared and lonely. **Thanks to your generous support, she found Women's Care Center where she was wrapped in love.** Here, the couple was able to attend dozens of classes to learn about having a healthy baby and parenting. Through classes, Andrea also met a best friend, someone just like her, who was also expecting her first baby.

Baby Amani

"GOD KNEW WHAT HE WAS DOING"

That's what Dana says now. But when Dana first came to Women's Care Center in Hammond, she was thinking about abortion. A busy mom of three young boys, another baby seemed impossible. How could her family afford it? Tearfully, she expressed her fears to our counselor. But thanks to you, Dana found the courage to choose life.

And making a decision for life brought her a sense of relief and ultimately joy.

That joy only increased when Dana got to add a little girl to her family of boys. She says, "I still can't believe I have a daughter! After three boys, I never thought this day would happen." She is grateful to you that she didn't choose abortion. Baby Amani is a ray of sunshine in this family's life.
