## ELI IS JUST ONE!

*Because of generous partners like you, 4,650 babies, like Eli\*, have been born to our Indianapolis area moms since we opened in 2014. Seeing the success in Indianapolis led to the opening in Bloomington, which has already saved 282 babies!*

Throwin' it back to 1984 and our very first center, "the little blue house" in South Bend, Indiana. Founded by Dr. Janet E. Smith when she was a young professor at the University of Notre Dame. Dr. Smith saw the need to provide love, hope and encouragement to pregnant women to help them choose life for their babies.

Women's Care Center **now serves 26,000 women annually** from 28 centers in 10 states.

## ULTRASOUND "CHANGED EVERYTHING"!

Amanda and baby JJ

**"I'm so glad I didn't listen!"** Amanda says now.

She had a goal to be the first person in her family to graduate from college. She was studying radiology when she found herself unexpectedly pregnant. People close to her told her, *"You can never be a mom and finish your degree."* They told her abortion was the only way out of her situation.

But when Amanda came to Women's Care Center for an ultrasound, she says, *"I heard his heartbeat. It changed everything."*

Our counselor helped Amanda find the confidence to choose life. *"So many people told me to just quit school, that I couldn't do both."*

But because of partners like you, Amanda is still following her dream, going to college full-time, **just now with baby JJ by her side.**

**"I heard his heartbeat!  
It was a life-changing moment!"**

— Amanda

Baby Chloe loves to "read"...*thanks to you!*

OUR DOOR AS THOUGH THEY ARE FAMILY

## PROVIDING WELCOME

"My wife Sharmila and I are from South India. We came to know my wife was pregnant... this was still a new town for us, and we had no friends or relatives. I googled and found Women's Care Center. Before visiting, we had no idea or information about pregnancy. But after each session, we had a good knowledge. Also, **our counselor was so sweet and kind to us that my wife didn't feel she was missing her relatives and friends.** As a family, we are so grateful to Women's Care Center.

*Thanks, Karthick"*

YOU PROMISE TO LOVE UNCONDITIONALLY  
EVERY WOMAN SERVED

## CONTINUING TO LOVE

When Dominique found out she was pregnant again, all she could think was *"I can't believe it."* She was already a mom to a small child and did not see how she could afford another.

Abortion was the only option she could see...until she met our counselor. **Here, Dominique found someone to listen.** Here, she was encouraged to have as many ultrasounds as she needed to bond with her baby.

The more time Dominique spent at our Indianapolis center, the more confident she became. She really could have this baby! The excitement began to spread. And her family made room in their hearts for one more...baby Ariyah.

YOU PROMISE TO BE WITH HER EVERY STEP OF THE WAY — FROM  
CONFIRMATION OF PREGNANCY THROUGH YEARS AFTER BIRTH

## EVERY STEP OF THE WAY

Naira and Raul came early in pregnancy. During their ultrasound, they were shocked to see, not one but three heartbeats! **TRIPLETS!**

The couple was in a panic. But our counselor assured them we would help them every step of the way. Together, they created a pregnancy plan to have three healthy babies.

Naira spent all her free time at our center learning about having a healthy pregnancy and baby basics. Along the way, she earned three car seats, three swings, three cribs ...and lots of baby clothes and diapers.

*"Women's Care Center is my second home. The staff are my second family. I am so grateful," says Naira.*

*Naira and Raul's triplets*

YOU PROMISE PRENATAL CARE, TANGIBLE ASSISTANCE  
AND ONGOING PARENTING SKILLS EDUCATION

## MEET MOM PAMELA & BABY ABIGAIL

Pamela made dozens of visits to our center when she was expecting Abigail. She received prenatal vitamins and healthy pregnancy education. She also participated in many of our classes where she learned how babies communicate, how to teach patience, and early childhood development. Pamela is now married to Abigail's daddy, Arturo, and is loving every minute of being Abigail's mommy!

*Centers in Indianapolis and Bloomington are both "next door"*

## NEXT DOOR SAVES LIVES

**21 times!** That's how many times Women's Care Center has opened near an abortion clinic or Planned Parenthood. All thanks to generous partners like you! **Every single time, women's hearts are touched, babies are saved, and abortion declines are phenomenal.** Most recently, in December, we opened near the large Planned Parenthood abortion clinic in Merrillville (the last abortion clinic in northern Indiana).
