Baby Ethan

Because of you, **2,061 babies**, like Ethan, were born to our Indianapolis moms over the last year.

In her own words,
thank you!

MEKI WANTS TO THANK YOU!

"You helped me gain confidence to be a good mother. **Women's Care Center is the reason my baby is here. He is here because of you.**

"When my mom found out I was pregnant, she said if I didn't get an abortion, she'd kick me out of the house. I came here because I knew you would help me. After coming here, I couldn't choose abortion.

"My mom scheduled my appointment at the abortion clinic, but I told her, *'I can't do this. I saw him on the ultrasound screen! I can't go through with it.'*

"It was difficult and the odds were against me, but we got through it...with Women's Care Center.

"I got my own place. I started saving money. I came to every class, saved every coupon, and earned my own crib. I never stopped working and went to school full-time. I graduate college this year!"

THANKS TO PARTNERS LIKE YOU, Karla married Brandon and is starting college. She now says, "Baby Ezekiel is the best thing that's ever happened to us."

"I NEVER BELIEVED IN ABORTION, BUT THEN SUDDENLY IT WAS ME."

Karla wanted to be the first in her family to graduate from college and thought a baby would ruin everything. **THANKS TO YOU**, Karla and her now husband Brandon found loving support at Women's Care Center.

Karla: "I knew that pregnancy made me a mom, regardless of my decision, but I didn't know if I could give this baby the life he deserved. I thought I wanted an abortion."

Brandon: "At Women's Care Center, I learned the best thing I could do for my baby is just to give him a chance at life. I knew he needed to have that chance."

Karla: "When I came in for my ultrasound, I saw the tiniest little thing, like a jelly bean. And I thought, *'I can't do this! I need to keep him! There's literally another person inside me.'*"

Brandon: "When you see the ultrasound, you see — **that is a person in there.** A living person that we created. And he could be something so great one day."

Karla: "The best decision I ever made in my life is coming here...to Women's Care Center."

In their own words,
thank you!

YOU TOUCH HEARTS

“To the donors, I just want to say thank you so much—you gave me a place to come when I felt all alone. This place is my safe haven. I’m so grateful!”

“Sometimes I feel like the poster child for Women’s Care Center, I come so often. I know everybody here. They are all so friendly. Lots of times, I felt like I didn’t have an outlet. Here, I feel comfortable enough to share. I knew they would always lift my spirits. **My favorite part about being a mom is the unconditional love!**”

YOU SAVE BABIES

There is no more life-saving location than “next door” to the abortion clinic. And thanks to you, we are there every day serving women and saving lives.

Sarah came to our center after an abortion consultation at Planned Parenthood. She told our counselor, “There’s no way I can go to school and have this baby.”

But thanks to your support of our mission, Sarah completely changed her mind. **“When I saw the ultrasound, Crib Club, and all the things you do to help people, that really assured me.”**

SARAH CHOSE LIFE...and chose to keep her plans for school as well! In fact, she submitted her application the day she went into labor. Looking at baby Libby, Sarah cannot even think of the decision she almost made without crying, and says, “What I love most is the support I get here. I didn’t really have anyone to talk to about this, and you provided that for me.”

YOU SUPPORT MOMS

“I have continued to do the right things, and everything just started falling into place for me.

“I’ve been working full-time. I moved into an apartment. I’m feeling better than I have in years. And the love I have for this baby is almost too much to handle. **Thank you so much for keeping in touch with me and being supportive.** You really helped me to believe that I can do this!”

YOU CREATE JOY

Kristian had a scheduled abortion at Planned Parenthood. But she came to our center first for an ultrasound. She told our counselor that her boyfriend and family wanted her to abort. Sadly, she said, “*Why would someone love you, but want you to have an abortion?*”

Kristian went into the ultrasound crying, but that quickly turned to giggling. “*I can’t believe the baby moves so early!*” Even the arms and legs were already moving. Seeing the ultrasound, Kristian chose life. When her baby was born, Kristian couldn’t wait to come back and thank our counselors.

YOU SUPPORT FATHERS

Former Indianapolis Colts offensive tackle Joe Reitz was a guest speaker at our **Strong Fathers class**. As a father to four of his own, Joe certainly has the experience. His little ones keep him busy. He says, “*It gets tough sometimes, but I love it and wouldn’t change it for the world.*”

It’s this positive attitude on parenting that we hope to pass on to the men in the class. Classes are places of open discussion, where men can be real, engage in ‘guy talk’, and share their stories.
