BABY ELI IS JUST ONE!

One of over 150,000 Women's Care Center babies saved because of the love and support of partners like you!

Throwin' it back to 1984 and our very first center, "the little blue house" near the University of Notre Dame!

Founded by Dr. Janet E. Smith when she was a young professor, our tiny staff saw 300 women that first year. **We now serve 26,000 women annually** from 28 centers in 10 states, including Florida, Illinois, Indiana, Kentucky, Maryland, Michigan, Minnesota, Ohio, Pennsylvania & Wisconsin!

OPENING SOON!

Thanks to generous partners like you, our new center on N. La Grange Road is getting close to opening!

We have joined with the largest, most life-saving pregnancy center in the United States, also named Women's Care Center. **Our new center will open April 30.** We are excited to soon be open — serving moms and saving babies from Cook and DuPage Counties.

This is a sneak peek at what our new center will look like (photos are from the newest Women's Care Center in Pennsylvania, opened in January)

YOU CREATE FAMILIES

When you support Women's Care Center, you not only help women choose life, you help them create a family! Moms and dads are encouraged to work hard, attend parenting classes, set goals and stay in school.

And thanks to your generous support, every small child who visits Women's Care Center leaves with books to encourage a love of reading!

Baby Chloe loves to "read"...*thanks to you!*

YOUR GENEROUS SUPPORT OF WOMEN'S CARE CENTER HELPS OUR COUNSELORS KEEP LIFE-SAVING PROMISES.

YOU PROMISE TO LISTEN, TO LOVE AND TO TRY TO UNDERSTAND COMPLETELY HER ISSUES BEFORE OFFERING SUPPORT

ULTRASOUND "CHANGED EVERYTHING!"

"I'm so glad I didn't listen!" Amanda says now.

She had a goal to be the first person in her family to graduate from college. People close to her said, "You can never be a mom and finish your degree." They told her abortion was best.

But when Amanda came to Women's Care Center for an ultrasound, she says, "I heard his heartbeat. It changed everything." Our counselor helped Amanda find the confidence to choose life. "So many people told me to just quit school, that I couldn't do both."

But because of donors like you, Amanda is still following her dream, going to college full-time, **just now with baby JJ by her side.**

YOU PROMISE TO LOVE UNCONDITIONALLY EVERY WOMAN SERVED

Zoe and her baby

CONTINUING TO LOVE

When Zoe first came to the center, she was certain she would have an abortion. She was teary during the ultrasound, but still convinced she had already made her decision.

But Zoe's counselor didn't give up. She let Zoe know that whatever her decision, Women's Care Center was there for her. And ultimately, our counselor got a joyous response, "I've decided to keep my baby. 100%! I was wondering if we can meet up and talk sometime."

Our counselor helped Zoe make a pregnancy plan. Zoe says, "I could not stop thinking about that heartbeat!" And she says of her baby girl, "I've never felt so much love in my life."

YOU PROMISE TO WELCOME ALL WHO WALK THROUGH OUR DOOR AS THOUGH THEY ARE FAMILY

Sharmila and baby Murshikki

PROVIDING WELCOME

"My wife Sharmila and I are from South India. We came to know my wife was pregnant... this was still a new town for us, and we had no friends or relatives. I googled and found Women's Care Center. Before visiting, we had no idea or information about pregnancy. But after each session, we had a good knowledge. Also, **our counselor was so sweet and kind to us that my wife didn't feel she was missing her relatives and friends.** As a family, we are so grateful to Women's Care Center. *Thanks, Karthick*"

YOU PROMISE TO BE WITH HER EVERY STEP OF THE WAY — FROM CONFIRMATION OF PREGNANCY THROUGH YEARS AFTER BIRTH

A LIFE-SAVING MOMENT

Ty's mom, Deanne, was awed seeing her tiny baby on the ultrasound screen. Such a big moment for her, she saved up her Crib Club coupons to "purchase" a picture frame from the Crib Club to memorialize this experience. Today, Ty's ultrasound picture hangs proudly on the wall in his nursery.

Baby Ty

Seeing Ty on the ultrasound helped Deanne bond with her tiny baby. This motivated her to find her own place and make a home for her baby. We are blessed that Baby Ty and his mom continue to "drop in" the center to attend a class...and sometimes just to say "hi."

YOU PROMISE PRENATAL CARE, TANGIBLE ASSISTANCE AND ONGOING PARENTING SKILLS EDUCATION

MEET MOM PAMELA & BABY ABIGAIL

Pamela made dozens of visits to Women's Care Center when she was expecting Abigail. She received prenatal vitamins and healthy pregnancy education. She also participated in many of our classes where she learned how babies communicate, how to teach patience and early childhood development. Pamela is now married to Abigail's daddy, Arturo, and is loving every minute of being Abigail's mommy!
