Next Door Saves Lives. Be the One. Save More Babies in Lincoln.

"I can't even imagine what would have happened if I didn't come to Women's Care Center. I think about it every day, how I would have regretted an abortion so much." ~ Sierra

30% of the abortions in our state now take place in Lincoln...at the Planned Parenthood on S. 48th Street. That's 618 babies last year alone, a 19% increase in just one year.

It's scary. It's sad.

But with your help, there is great hope.

Together, we can build a life-saving Women's Care Center right across the street from the abortion clinic. The nation's largest pregnancy resource center. With 32 centers in 11 states. Serving more women and saving more babies than any other.

5632 S. 48th Street, Lincoln, Nebraska

Results driven. Saving babies by loving their mothers. Next door saves lives.

In every community with a Women's Care Center, abortions decline and abortion clinics close. In South Bend, Indiana, where the center started, a similar size city to Lincoln, abortions have declined 73%. This can happen in Lincoln too.

But it takes you. Only you can bring this mission to Lincoln.

"I was headed to Planned Parenthood to get an abortion, but saw your sign instead," says Sarah. "Without Women's Care Center, Libby would not be here today!"
