

YOU HELPED MY MOM CHOOSE LIFE!

"I never want Alejandro to feel like I didn't want him.
He has brought so much

Baby Alejandro

YOU DON'T KNOW HOW IMPORTANT YOU ARE...

You support moms who feel they don't have a lot of options. People you don't even know. And because of you, they find the encouragement, the sustained care and the real help to bring precious babies into the world. And after a choice for life, you ensure that these babies are well taken care of. You create nurturing families.

This is the end result of your love!

YOU SAVE BABIES LIKE KIARA!

"I had five kids already," says Gabrielle. "No one who knows me would ever believe I was considering abortion.

"I thought I'd come, get it taken care of and nobody would know, not even my husband.

"My counselor, she was real. She told me she had multiple children and how she made it work. And I remember she said, 'Well, you already have five. What is one more?' As I talked to her, I joked, 'Oh, I shouldn't have come here! Because you are changing all my plans.'

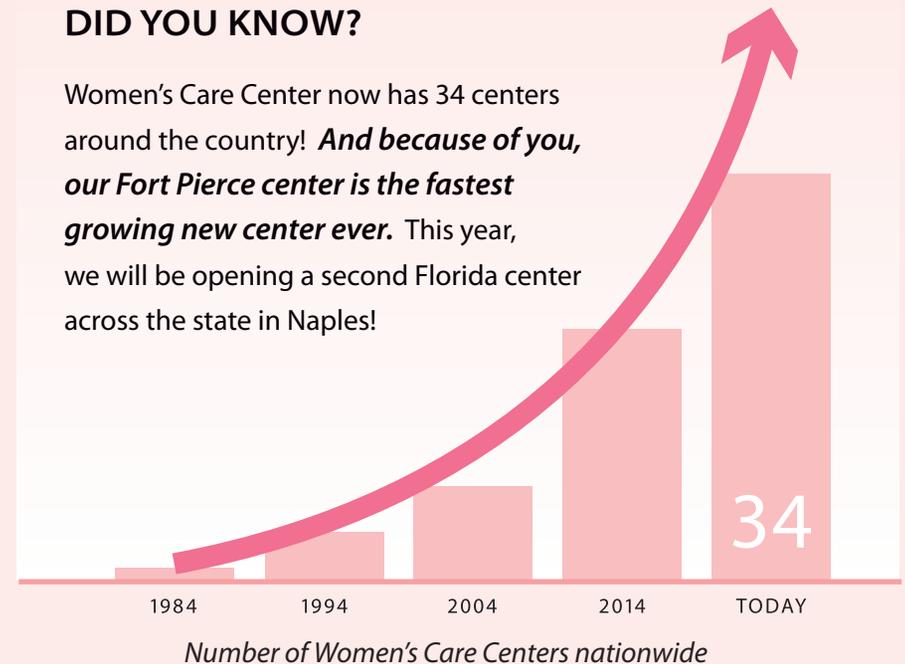

"Now, I have Kiara. And she has brought us such joy. So much joy, my whole family just lives for her.

"We just bought our first house. And right away, I invited the whole Women's Care Center staff to come for dinner. I wanted to give back."

DID YOU KNOW?

Women's Care Center now has 34 centers around the country! **And because of you, our Fort Pierce center is the fastest growing new center ever.** This year, we will be opening a second Florida center across the state in Naples!

YOU MAKE FAMILIES COMPLETE!

J.R. and Sarah want you to know:

"**BECAUSE OF YOU,** Women's Care Center was there for our son's birth mother when she needed help. Because of you, we have our beautiful son today.

She could have made the choice to go down the street and abort our son.

Instead, because of the existence of this Center, the path was widened for her to choose life."

“YOU MADE THIS LITTLE MIRACLE ‘POP’ INTO MY LIFE!

“You made me change my mind about life...and give her a life!” says Kacey. “I was forty when I found out I was pregnant. I was so scared. A friend told me about Women’s Care Center.

“When I saw her on ultrasound, I was like, ‘WOW, WOW!’ I’m so glad I kept her — there are no words to explain it. I can share with her all the things I did growing up, the books my mom used to read me.”

AND TO THE DONORS, Kacey says,

“Thanks to you, I found a place that feels like family.

The money you’re giving is going to people who are really struggling. People like me.”
