

# Serving More Moms. Saving More Babies. IN LAPORTE COUNTY.

824 Lincoln Highway, LaPorte

Every other baby born in LaPorte County starts with Women's Care Center.

Last year, we served **1,045 women**, their babies and families. And now we have the opportunity to grow and expand here in our hometown... with higher visibility on the busiest street in town. *But it takes you!*

“I had an abortion appointment scheduled. I had all the paperwork filled out and the money sorted out, too! I never went,” says Alexa, mom of baby Violet (shown).

## THE NEED

Although our LaPorte County centers serve more at-risk women earlier in pregnancy than any other local resource, we currently don't have the facilities in this county to provide the full continuum of care necessary to serve the large numbers of women who come to us. For example, our local centers in LaPorte County are half the size of our centers in Elkhart and St. Joseph Counties.

**To really make a difference, we must have a larger center to meet this growing demand.** We need your help to put LaPorte County children on the right path, right from the start.

MORE VISITS IN LAPORTE MEANS HEALTHIER BABIES	
Last Year	Average Birth Weight
1-2 visits to LaPorte Co. centers	7 lb. 1 oz.
7 or more visits to our centers	7 lb. 5 oz.

## THE PLAN
